REVELGYM.COM

## What Sets RevelGym Apart From Other Gyms?

Our revolutionary technology allows gym members the ability to upload and track data directly on their smartphones.

### Cardio Machine Workout Data:

- Calories Burned
- Average Heart Rate
- Miles Logged
- Average Speed

### SelectORIZED Weight Equipment:

- Number of Reps per Set
- Amount of Weight per Set

### Health Kiosk:

- Body Fat Composition
- Body Weight
- Blood Pressure

### Chronic Disease:

Diabetes Glucometer Reading Tracking

TRACK YOUR WORKOUT  
TRANSFORM YOUR LIFE.

## Background

### Who Are We?

Fitness Industry Veterans with over 30 years experience in developing cutting edge fitness technology.

### Patented Technology

On Feb 5th, 2016 the USPTO allowed patent claims for RevelCode cardio and strength technology, creating a unique 'defensible position'. No other fitness center will have access to our technology.

### Market Need

The explosion of fitness and diet tracking devices has health enthusiasts demanding a modern way to track data on one easy platform.

TRACK YOUR WORKOUT  
TRANSFORM YOUR LIFE.

REVELGYM.COM

## Facility Design & Aesthetics

The RevelGym design will feature a minimalist luxury design that appeals to both modern and traditional fitness enthusiasts. The interior of the space and custom fitness machines will feature clean white colors with silver accents combined with natural materials that promote a sense of well being.

The RevelGym model will attract a clientele that desires a quality experience and turn-key health improvement solution .
